Headteacher Mr Gareth David Jones B Ed (Hons) NPQH Prifathro

7th February 2018

Dear Parents

Following on from the letter you received which was sent to all Flintshire primary Schools, we would like to take this opportunity to assure you that financial position of our school is in relatively good health; this is largely due to good budgetary management and the hard work of the Home School Association whose funds have enabled the school to invest in significant infrastructure for the school over the years, including iPads, the outdoor activity trail, enclosed lobby area at the entrance to school and the new audio equipment in the hall. However, the message within this is stark, education funding in Flintshire will be effectively cut in future financial years.

The school will be able to manage in the next financial year (18/19) and no redundancies are expected but unfortunately its position in further years is less clear. The school and its governing body will continue to manage its budgets effectively and rigorously to ensure that our children continue to receive the highest standard of education possible. The school and its governing body will work hard to ensure that its current provision of education is maintained and to that end will actively be petitioning the County Council, The Welsh Assembly and the local MP.

If you have any concerns please do not hesitate to contact myself or the Chair of Governors – Rob Howorth.

Yours sincerely

G Jones
Headteacher

R Howorth
