

**URGENT APPEAL TO PARENTS AND GUARDIANS**

**MEETING THIS FRIDAY 9<sup>th</sup> FEBRUARY AT 2.30pm**

Dear Parents/Guardians

**Re: The Impact of the Cash Flat Budget**

You may have read about the latest reductions in support services, including the proposed 'Cash Flat' budget. Unfortunately, if these proposals are implemented, our children's education will be **seriously** affected.

A letter has been sent out this week by the Flintshire Headteacher's Federation which sets out how the changes will impact schools. The changes will be **significant** and will involve redundancies, staff shortages, less support for our children, larger class sizes and limited funding.

**We can try to prevent this from happening if we act now.** Flintshire County Council has made recommendations as to what Parents and Guardians can do to help.

Mr Jones is holding a meeting this **Friday 9<sup>th</sup> February at 2.30pm** to discuss what those recommendations are. If you would like to attend please could you email [nina.thompson@hotmail.co.uk](mailto:nina.thompson@hotmail.co.uk) Any support would be extremely welcome! Let's do what we can to try to stop this from happening and to protect our children's education.

Please also be in touch if you have any questions or if you have any suggestions.

Yours sincerely,

*N. Sperring*
