Headteacher Mr Gareth David Jones B Ed (Hons) NPQH Prifathro

Dear Parents

As seen on our Family Learning Calendar, this year we are inviting a parent or grandparent or family member to come and have lunch with their child. This is a new initiative so that you can come and spend some time with your child at school. Thursday January 17th will be Year 6's turn. We ask that you arrive at school for 11.20 on the day so that we can start dinner early. Once you have had dinner you are welcome to stay until 12.15 to explore the schools grounds with your child (weather depending)

The cost of a dinner for an adult and child is £5.44. Your child's dinner can be paid on the school Gateway but adult meals will need to be paid by cash or cheque.

Please see below the choices for you as a parent so that we have enough supplies. Please send in the slips asap. Many thanks

Mrs Non Jones
