Breakfast Club

Parents wishing to use the 7.45am – 8.15am provision have to pay £25 per half term for the first child and £15 for every sibling thereafter. We have based our calculations on an average of a 6 week half term which would total 36 weeks of the year; however in real terms the children are in school for 39 weeks.

If your child uses the club every day of the 39 weeks then it will cost you an average of 83 pence per day. If you are one of the 20% parents who currently use it at least 3 times per week then it will cost you an average of £1.28 per day. When comparing these charges to a number of other Flintshire schools who are charging up to £3 for this facility I believe that we are offering a value for money service.

Thank you for your continued support. If you want your child to attend any part of the 7.45 – 8.15 club please complete the form below and return it to school, along with payment in full for the next half term. Form and payment should be returned as soon as possible.

Please note that you can also pay online via the School Gateway app or website. There are two payment options, one at the standard cost of £25 and one for the reduced rate of £15 for siblings.

Please don't hesitate to contact school if you have any questions regarding Breakfast Club, or School Gateway.

Yours sincerely
