Headteacher Mr Gareth Jones Prifathro

Dear Parents/Guardians,

As part of our Healthy Schools/Forest Schools initiative your child is going to be given the opportunity to take part in 4 Forest School sessions. These sessions will run on Friday 15th February, Friday 22nd February, Friday 8th March and Friday 15th March. On the 4th session which will be held on Friday 15th March you are invited to take part in the session with the children. These sessions will go ahead in all types of weather conditions therefore it is important that the children are wearing the appropriate clothing. If the forecast is wet/cold please ensure children have waterproof coat, hat, gloves etc. If the weather is warmer/sunny (fingers crossed!!) children need lighter clothing. Children should also bring spare clothing to change into in case they get wet. Please note that if wind speed is higher than 20mph the sessions will be postponed.

During these sessions the children will learn various outdoor skills which link to Literacy, Numeracy and Creative skills.

All sessions are lead by a qualified Forest School instructor.

We look forward to the Forest School sessions and I'm sure the children will develop new skills and thoroughly enjoy the experience!

Kind Regards

Mr Ellis

(Deputy Headteacher)
