

YEAR 5

In Maths your child will:

- Reinforce all written methods of the 4 operations and prove answers using the inverse.
- Solve word problems.
- Investigate fractions and decimals and create bar models to find, for example $\frac{3}{4}$ of 36.
- Use appropriate units of measure.
- Investigate prime numbers, factors & multiples.
- Be confident with time, including reading the 24 hour clock.
- Investigate number sequences.

In English your child will:

- Write an adventure story (Disneyland).
- Write short excerpts based on parables and miracles in RE topic.
- Write their own poem based on contemporary poetry for the Eisteddfod.
- Prepare an explanation text based on a planet and create a database from this information.

Reminders:

Follow me on Twitter @PaulaMerryY5

Email - merryp@hwbmail.net
